

PCP System Design and Performance Optimization Course

Date:	Course:	Location:	Early Bird Cost	Regular Cost
October 17 to October 21, 2011	Five Day Complete Course	Calgary, Alberta, Canada Alberta Innovates -Technology Futures 3608-33 Street NW	CAD\$2,725 plus GST (before Sept. 15/11)	CAD\$2,900 plus GST (after Sept. 15/11)

For the Five-day Complete Course, a block of rooms is reserved for a special rate at the Hampton Inn and Suites - Calgary University located at 2231 Banff Trail NW, Calgary, Alberta, (<http://www.hamptoncalgary.com>). For reservations, please phone 1-888-432-6777 and quote "C-FER Technologies".

The fee includes a comprehensive set of course notes and printed copies of the course presentation slides and hands-on training using PC-PUMP® software. Lunch and snacks will be provided at the course.

Although computers can be provided for the PC PUMP® software training session, we recommend you bring your own portable computer that you have administrative rights to. A fee of CAD\$100 will be retained for cancellations 4 weeks or less prior to the course and there will be no refund for cancellations less than 2 weeks before the course. Substitute attendees will be accepted.

PLEASE FILL OUT ELECTRONICALLY.
